

Candidates for RRRC Competitions Committee - Men's Div.3 Representative

Karl Tolar

karltolar@gmail.com

I'm applying for the RRRC because I want to be involved in decisions made for the members of our conference. There are always opportunities to continue improving on competitions and I want to have an impact in the direction that we go as the sport grows in the ArkLaTex. I've been involved on the admin side at the club level just over 10 years from collegiate to senior men. This season I got certified as a level 200 coach and level 100 referee in effort to expand my impact on the game locally. Rugby the sport and rugby the community are very special to me and I hope to bring fresh ideas to the table that will strengthen the level of competition in this region.

I would like the opportunity to fill the open Men's D3 RRRC Representative Position as I have a strong passion for the game and want to do what I can as we move forward to grow rugby and improve the quality of play within the Conference.

I have been on both sides of the table as President of the Grand Prairie Mavericks RFC for the past 9 years as well as serving 2 seasons, 2011-2012 and 2012-2013, as the TRU Men's D3 Secretary in addition to acting TRU Men's Representative for the good part of the 2012-2103 season when the representative had to step down. I was involved in competition planning meetings amongst other responsibilities where I was able to insure that decisions I made were for the best of the division and not my own or any other individual club which I am ready to do once again if elected.

Rugby is on my mind more often than not as my wife can attest. I am always looking at ways to improve my club on the pitch and in the community and know that mindset will serve well for all of D3.

Regardless of the outcome you can be rest assured D3 will be represented well whether it's myself or Karl who gets elected to the position.

Thanks for the opportunity to say a few words.
