USA Maccabiah 1996-98, Gold Medal 1997 - Israel

 My name is Bill Taute, and I've been a member of the Austin Blacks since1984, and currently serve as the
 Chairman of the Board of Directors for our organization and its 501c3 Non Profit organization as well. I
 would like to become the Division 2 representative to the TRU so I can work with all the administrative arms
 of those clubs to help develop their club infrastructure. I define club infrastructure as the (1) Leadership (2)
 Coaching and Training staff (3) Club culture-define it and use it to help grow your club and lastly(4) former
 players/fans/social members. Division 2 teams that aren't tied to a larger Div 1 club side, often have less
 membership to develop their infrastructure from and less volunteers to accomplish all the things they'd
 really like to do. I believe that many of the Division 2 clubs in the TRU have been established long enough
 that they have plenty of "Old Boys" to help with this development and to subsidize its costs. I would like to
 work with the D2 club administrations to accomplish all their goals.
