

Justin Hale

It is with great pleasure that I accept my nomination to the position of Men's D1 Representative nomination. I am deeply honored to know that a fellow member(s) felt me worthy of such an important responsibility. In filling this position, I understand that I will be required to represent the views and goals of the D1 teams in the TRU. I'm confident I can represent the clubs in a positive, unbiased manner. I've played D1 rugby for the past 6-7 years in both XVs and 7s up to the national tournament level, which I believe helps me understand the needs and wants of D1 clubs in Texas. I'm an energetic, loyal, and outgoing individual who is eager to help TRU in whatever way I can.
