

Marcus Leming

Rugby History:

- Playing 10 years all with San Antonio Rugby
- Club President for 5 years
- Grown the club from 20 CIPP'd players to a high of +120
- Created affiliation with MLR Austin Elite Rugby
- Under my supervision and with the support of the board grew from 1 men's club to:
 - 3 men's sides
 - 1 women's side (7s)
 - 2 college affiliates (Trinity and University of the Incarnate Word)
 - 1 high school team
 - 1 youth (coed)
 - 1 minis (coed)

I want to be on the board because I look around and see that the huge swath of south Texas is underrepresented by the current board. I feel like my presence on the board will help provide insight and a voice to those clubs in our organization. I have a track record of facilitating and growing the game from the ground up. I see the focus of many clubs is the same, but I'd like to see a bigger focus for the board to support it as well.
