

I would like the opportunity to fill the open Men's D3 RRRC Representative Position as I have a strong passion for the game and want to do what I can as we move forward to grow rugby and improve the quality of play within the Conference.

Administratively I have been on both sides of the table from a Club and Union perspective. Prior to stepping down this past summer to get the younger guys more involved and allow me to focus on the community work we do as a club I was President of the Grand Prairie Mavericks RFC for the 10 years. Recently I also served 2 seasons, 2011-2012 and 2012-2013 as the TRU Men's D3 Secretary in addition to acting TRU Men's Representative for a good part of the 2012-2013 season when the representative had to step down.

I was involved in competition planning meetings amongst other responsibilities where I was able to insure that decisions I made were for the best of the division and not my own or any other individual club which I am ready to do once again if elected. Rugby is on my mind more often than not as my wife can attest. I am always looking at ways to improve my club on the pitch and in the community and know that mindset will serve well for all of D3.

I also just completed the L1 Referee course at the TRU Summit and look forward to getting on the pitch and calling some matches.

Thanks for the opportunity to say a few words.
