Red River Rugby Conference	
D3 Men's Representative	2016 – Present

I would like the opportunity to fill the open Men's D3 TRU Representative Position as I have a strong passion for the game and want to do what I can as we move forward to grow rugby and improve the quality of play within the Union.

Administratively I have been on all sides of the table from a Club, Union and Competitive Region perspective. As club President the club has grown on and off the pitch. Stepping down to get our younger guys more involved has allowed me to focus on the relationships built with the city to help the community and improve our park that has allowed us to host the Women All-Star matches for a 3rd time this coming December. As D3 Secretary I was involved in competition planning meetings (now handled by RRRC) amongst other responsibilities where I was able to ensure that decisions I made were for the best of the division and not my own or any other individual club which I am ready to do once again if elected.

Rugby is on my mind more often than not as my wife can attest. I am always looking at ways to improve my club on the pitch and in the community and know that mindset will serve well for not just Men's D3 but for the entire Union.
