

I am honored to be nominated for the club congress representative for TRU. Since I started playing in 2008 I have been a part of the TRU. Currently, I'm a player-coach for HARC, play for the USA Women, and coach the Texas A&M Women. I have the unique opportunity of seeing rugby at a variety of levels. I believe I can bring that experience and viewpoint as a congress representative. In everything I do, my goal is to grow the game and raise the level of play.
