**PERSONAL STATEMENT**

Dear TRU Clubs,

I would greatly appreciate your vote for the Women's Rep on the TRU Board. My goal above, all else, is to help grow rugby and more specifically Women's rugby. While the pandemic has changed our lives forever, it has greatly impacted the turnover of women's players. My mission will be to encourage competition, empower struggling teams, and all around continue to rebuild.

Thank you for your consideration of my candidacy, and I would appreciate your vote.

Haley Hunter
