

Caitlin Curley

My name is Caitlin Curley and I honored to have been nominated for the RRRC Women's Rep Position.

I have been a member of the Austin Valkyries for 6 years and been on the club board for 3. Prior to moving to Austin for the Army, I played rugby for Raleigh Venom in North Carolina and North Carolina State University where I also served on the board for 3 years. I currently serve as the President of the Austin Valkyries. Prior to this year, I have served as Treasurer for 2 years.

I am committed to the growth and development of women's rugby. I have experienced both facets of women's rugby in the region as a player for both divisions across my years with the Valkyries and understand the unique challenges with both. This experience will help guide me to make the right decisions and suggestions to the RRRC committee and the teams we represent. I am committed to working with all the teams in the region to build and grow the sport we love.

I am grateful for the nomination and the hope that I can serve this community in the coming years as an RRRC Women's Rep.

Thank you.
