

My name is Glen Fontenot and I have been nominated to be the RRRC Men's Division 2 representative.

I have been a member of the TRU and Houston Athletic Rugby Club (HARC) for 9 years and been involved in club administration for 7 years.

Prior to coming back home to Houston, I played for Pittsburgh Rugby Club (Pitt City) D2 while also coaching an NSCRO team in Steubenville, OH (Franciscan University).

I am currently the VP of Men for HARC. Prior to that I served as Club Secretary, Club Manager, Sponsorship Chair and VP of Player Development.

As an administrator, I will always listen and ask for feedback from those I am tasked with representing.

I have never shied away from presenting the unpopular options and will always do my best to ensure the voice of D2 Men's teams is heard in the RRRC and properly represented.

Look forward to serving you as the RRRC Mens Division 2 Representative.
