- Certified L1 Coach (2022)
- Certified L1 Referee (2022) and dues paying member of TRRA

I have played rugby in the TRU for the past 26 years (except for a cold 3 years of Ohio rugby). I have played collegiate and mens rugby in multiple divisions, held multiple officer positions, and coached youth rugby. I've been around a long time and greatly appreciate all of the blessings that have come with living the rugby life. I want to be your D3 Representative on the Competitions Committee to give back to the sport and contribute beyond just my home club. If elected, I pledge to be fair, open-minded, responsive and fair to all D3 clubs in the competition and do what is best for the sport throughout my term. As a representative, I will always listen to your club, and will do what is right for the D3 organizations in the TRU.
