1968: Stated a 50-year career in rugby

Joined Dallas RFC in 1978

Held the following jobs within the local/regional rugby community:

- TRU Men's representative
- RRRC Men's D1 Representative
- Member TRU Disciplinary Committee
- President Dallas RFC (10+ years) (not contiguous)
- Secretary Northern Counties (this was the north Texas Team organization)

I have been involved with the RRRC competition since its inception. We have had great leadership in the past with guys like Alan Sharpley, Kirk Tate and now, Dave Dodge. My typical role was to represent the Men's D1 clubs in all voting matters. Without fail, whenever a vote was required, I checked with all the club presidents to get their thoughts and their vote and, in the end, my vote to the RRRC has represented the majority vote of the D1 team membership. I will continue to do that if elected again. My vote will always represent what is best for the Union and what is best for the overall competition.

Basically, I will represent your programs as best I can. I have NEVER missed an RRRC meeting, never been hesitant to share my beliefs on how rugby should be played and how teams should be run and that will continue.

A vote for me will be a vote for rugby. That is my job and I take it very seriously.

Thank you for your time and support.
