## VENUE INFORMATION

### Austin Huns Rugby Ranch

[4107 Nixon Ln. Austin, TX 7872](#)

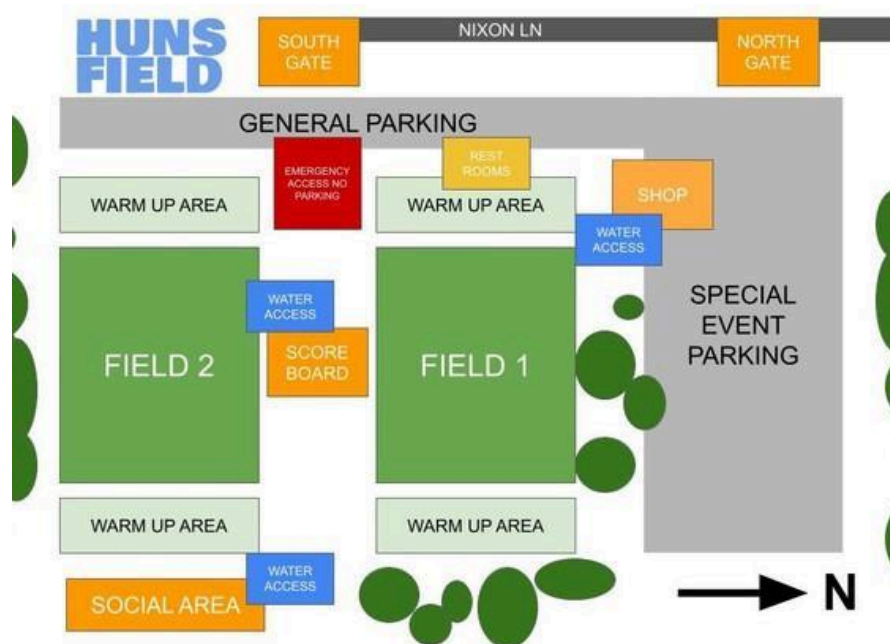

## ENTRY, PARKING & FAN EXPERIENCE

There is parking onsite, and it is free; no passes are needed.

The two designated parking lots shown in the image below are reserved for event support and referees. Teams should park in the Special Event Parking Lot on the left hand side and enter in through the North Gate. It will be marked with cones.

Fans can watch from the North side of Field 1 and the South side of Field 2.

**The area between the fields is strictly reserved for players, administrators, match officials, and announcers.**

## RESTROOMS & CONCESSIONS

Multiple porta-potties and Rest Rooms will be situated at various places around the “Ranch”.

## MEDICAL

Athletic Trainers will be on-site for general taping and on-field injury assessment. Taping should arrive at 60-90 minutes before the match. Tape and misc supplies are to be provided by the Team/Players. **Trainers are not responsible for supplies.**

An Orthopedic Specialist will be on-site for injury assessment.

An ambulance / EMT services will be available as needed.

Head Injury assessments by Trainer or Medical professionals are final. There is no HIA baseline available. Thereby, 3rd party, independent medical assessment will be followed.

## QUALIFYING TEAM INFORMATION

**For all but D1 and WD3, see the following link with deadlines.**

 [USA Club Rugby XVs NCS Roster Instructions.pdf](#)

**For D1 only.** Please enter up to 28 players in your match roster in RX by Sunday April 19th end of day. We will lock the rosters at that time, confirm eligibility and then grab hard copies. These will be used at check-in. The following week we will unlock for you to reduce the playing count to 23.

**For WD3 only.** Please enter your 23 players in the CMS as soon as possible.

**All Divisions:** Book Check: Note that check-in for all teams will include a complete eligibility book check. See following link for more information.

 [USA Club Rugby XVs NCS Required Documents.pdf](#)

 [NCS Event Media Release Agreement.pdf](#)

 [Name Withheld.pdf](#)

Additional Requirements:

**CMS: Input rosters into RX the night before your match and capture game details as the match progresses. Although designated #4s will be present, their primary role is to assist the referees, verify the accuracy of the score, and supervise the sideline. Teams are accountable for entering data into RX.**

---

## BOOK CHECK AND TEAM CHECK-IN

Rosters and Eligibility shall be processed and approved by USA Club Rugby Eligibility. Teams will have an event roster of 28 players but be limited to match day roster of 23 per USA Club policies

Check-ins will take place an hour before the scheduled kick off at the far end of the field away from Nixon Lane under the covered pavilion.

Please have a device ready to display your digital book or players present physical IDs with all permissible documents & waivers in an organized manner.

---

## WARMUP & MATCH SCHEDULE

All matches have an extended 30 mins added to match times. Warm Up can be done in the dead ball areas prior to the field being cleared from the prior match. Thus, unless there is a match with Overtime or extended injury, all teams should have 30 mins on their field to warm up.

## REPLACEMENTS & TECHNICAL ZONE

1. Only registered Coaches and Players in the Tech Zone. [PDF USA Club Tech Zone 2026.pdf](#)
2. Only certified medical personnel in front of the ropes.
3. Teams must stay in their technical box during the match (22M to 10M).
4. Teams will be provided with water jugs on the sideline.
5. Coaches must use Sub-Cards (to be provided) for player movement. Cards need to be signed, time stamped, include correct player on/off numbers and reason (sub or injury).

---

## JERSEY / BIBS / WATER

- Teams must bring two (2x) sets of alternating jerseys to avoid color clashes.
- Lower seed will be responsible for the change of kit.
- Each team will receive replacement, water, and medical bibs before kick-off. Reserves and medical staff must wear their bibs at all times unless entering as a replacement or water carrier.
- Only one player may take a water bottle onto the field for conversions/penalty goals. A max of 3 water carriers per team is allowed; this includes water to the kicker. Teams / Players should bring their own water bottles.
- Water breaks will be added if needed. To be discussed prior to KO with Match Referee, Match Commissioner, and two Captains.

---

## TENTS

Tents will be available in the Tech Zone. Clear all belongings and trash before moving to the game field so the next team can use the space. If you're arriving early or staying to watch matches, bring your own tent.
